Former Cove officer gets 20 years, fine

By KAREN SVENDSEN WERNER
Tribune-Herald Central Texas writer

GATESVILLE — Former Copperas Cove police officer Billie Horn was sentenced to 20 years and assessed a \$10,000 fine in Gatesville Thursday for sexually abusing a 14-year-old boy.

Bob Cummings, 52nd District Judge, set the maximum punishment allowable.

In a pre-trial agreement, Horn and his attorneys decided the court, rather than the jury, should set punishment in the event of a guilty verdict.

Horn was found guilty Wednesday by a jury after 4½ hours of deliberation.

In a telephone interview, defense attorney Bob Odom of Temple said Horn was very disappointed in the sentence to the point that the former police officer was "in shock."

Odom said he would file a motion for a new trial and file for an appeal.

Coryell County District Attorney Phillip Zeigler said he was not surprised by the sentence. Zeigler said the judge's reasons were that Horn abused a position of authority and the nature of the offense equalled the sentence.

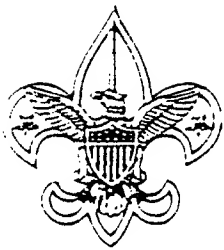

Cummings would not comment on the case after the trial.

During the trial, a 14-year-old boy testified Horn forced him to engage in oral sex with him more than 20 times during a 13-month period.

The boy, a member of the Boy Scouts Police Explorers program, also testified that he was spanked by Cpl. Billie Horn at least 50 times.

Horn was suspended indefinitely from the Copperas Cove Police Department Feb. 14, and an appeals board upheld the firing in March.

The former officer, under oath, denied having oral sex with the boy and accused police department officials of harassing the boy into signing a statement that led to the sexual abuse charges.

Dear Mr. Horn:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Sincerely yours,

Charles G. Williams
Council President
